Through basic workshops on Medical Education Technologies (MET) the Medical Council of India (MCI) wants faculty to attain a certain level of expertise in Medical Education. In view of the need for advancing the field of medical education, to keep pace with the current trends & practices and to provide a platform for Medical Educators to network, Medical Council of India proposes to conduct Advanced Courses in Medical Education for Medical Faculty at the MCI recognized Nodal Centres.

We are pleased to announce that MCI- Regional Training Centre for MET of J.N. Medical College, Belgaum has been upgraded to the status of NODAL CENTRE for conducting Advance Course in Medical Education for Medical faculty. Thirty nine Medical Colleges from North Karnataka, Andhra Pradesh and Goa have been affiliated to this Nodal center. Our Nodal center will be launched on 9th September 2014 at JNMC, Belgaum and the first onsite session will be conducted from 9th - 12th September 2014.

Admission to the advance course: Will be done twice a year.
