Dear Student/ Parent

Thank you for your mail. We understand your concern towards your ward, we are equally concerned about the safety and health of our students. Presently we are reviewing the COVID-19 guidelines released from time to time by the state and central Government. Given the situation, we wish to state that Belagavi is a safer place, and we hope that quarantine guidelines may be relaxed for students writing for university examinations in near future based on the COVID-19 situation, so that students can plan their travel.

In these times of uncertainty we shall observe the situation few more days and intimate you accordingly. Please be rest assured that our further steps shall be mainly based on overall benefit and safety of students at large.

Thanking you,

  
PRINCIPAL,  
J.N.MEDICAL COLLEGE, BELAGAVI.
