23rd October , 2021

REPORT

DEBATE: SAVIOUR SIBLING

The Youth Red Cross unit of J.N. Medical College in collaboration with the Literary Committee organized an interphase debate competition on the topic "Saviour Sibling: A life saved by a life made".

The competition was held on 23rd of October, 2021 in the Anatomy Lecture Hall from 12pm to 2pm and a total of 9 teams, of 2 members each, participated for the same.

The motion for the debate was that "The house believes savior sibling is an effective therapeutic remedy". Students, in teams of 2, spoke 'for' and 'against' the motion and were judged and scored on the basis of various criteria (attached below) as well as rebuttal questions.

The esteemed judges for the event were Dr. Vinayak Koparde from Department of Psychiatry, Dr Abhilasha Sampagar from Department of Pediatrics and Dr Avinash Kavi from Department of Community Medicine.

The event concluded at 2 pm followed by prize distribution ceremony for the best team, best speaker 'for' and best speaker 'against'. The winners were awarded a certificate and the following books-

Manas Anand	Best Speaker FOR

YOUTH RED CROSS UNIT

Criteria	4	3	2	1	Grade:
1. Organization & Clarity: Main arguments and responses are outlined in a clear and orderly way.	Completely clear and orderly presentation	Mostly clear and orderly in all parts	Clear in some parts but not overall	Unclear and disorganized throughout	
2. Use of Argument: Reasons are given to support the resolution	Very strong and persuasive arguments given throughout	Many good arguments given, with only minor problems	Some decent arguments, but some significant problems	Few or no real arguments given, or all arguments given had significant problems	
3. Use of cross-examination and rebuttal: Identification of weakness in Negative team's arguments and ability to defend itself against attack.	Excellent cross-exam and defense against Negative team's objections	Good cross-exam and rebuttals, with only minor slip-ups	Decent cross-exam and/or rebuttals, but with some significant problems	Poor cross-exam or rebuttals, failure to point out problems in Negative team's position or failure to defend itself against attack.	
4. Presentation Style: Tone of voice, clarity of expression, precision of arguments all contribute to keeping audience's attention and persuading them of the team's case.	All style features were used convincingly	Most style features were used convincingly	Few style features were used convincingly	Very few style features were used, none of them convincingly
