KLE CENTENARY CONVENTION CENTRE

Jawaharlal Nehru Medical College, Belagavi-590010.

Belgaum, officially known as Belagavi, is a smart city in the Indian state of Karnataka located along the Western Ghats. It is well connected by roads (National Highway 4), air and rail to major destinations of the country. Belgaum is known for its pleasant year-round climate.

KLE Academy of Higher Education, run by KLE society is a deemed-to-be institution, one of the major universities in North Karnataka and is successfully running various institutions in the field of Health care (Medical, Dental, Pharmacy, Ayurveda, Physiotherapy, Nursing Science). It is a NAAC A+ accredited institution and has been awarded with Rank 3 Swachh campus of India.

Jawaharlal Nehru Medical College, constituent medical college of the university was established at Belgaum in 1963 and is one of the oldest private medical institutions in the country. It is attached with KLE's Dr Prabhakar Kore Hospital & MRC which is a 2500 bedded hospital offering undergraduate, postgraduate and super-speciality courses.

The Department of Radio-diagnosis at JNMC offers both UG and PG courses (M.D. Radio-diagnosis) and has been teaching undergraduates for about 60 years and post-graduates for more than 25 years now. The department is well-equipped with ultramodern diagnostic facilities like 3-Tesla MRI and 128-Slice CT and consists of experienced faculty members who are experts in different modalities of imaging.

The Department also boasts of an Interventional Radiology Department, which is well-equipped with a state-of-the-art Biplane Cathlab and at present offers D.M courses in Interventional Radiology.

We, the host for the Dr R K Goulatia CME-2022, heartily welcome you all to a two-day academic fiesta enriched with a great learning experience at the pleasant city of Belgaum.
