BBR English Guest Lecture

Objectives of conducting the guest lecture:

- To raise the morale of students in English language and remove fear of speaking English
- To develop pronunciation skills by focusing on using effective features of pronunciation
- To improving students' confidence, fluency, and ability to communicate effectively.

Brief Report:

The KAHER School of Allied Health Sciences conducted a guest lecture for B.Sc. Allied interns and students belonging to 5th semester on importance of enrolling for BBR English Sessions.

Curieo Private Limited runs (BBR English) Blackboard Radio, which is an online English language learning platform that helps professionals improve their communication skills. Their courses are designed to help students improve their fluency, grammar, pronunciation, and comprehension. They also offer group discussions and live sessions to help students practice speaking and improve their confidence.

Key features of Blackboard Radio:

Live 1:1 Foundation Session: This session helps the student understand his / her current level and design a customized learning path.

Practice Assignments: These assignments help the student practice the skills that he has learnt in the course.

Live Sessions: These sessions are led by experienced mentors and provide the student with an opportunity to practice speaking and get feedback.

Group Discussions: These discussions allow the student to debate and discuss topics to improve his skills and boost confidence in public speaking.

Unlimited Resources: As a lifetime member of the BBR English community, student gets access to unlimited resources designed for him.
