Overview of Language and Communication Skill Development Program – Kannada Language Teaching Program

Objective of Kannada Language Teaching Program : The main objective of the Kannada Classes was to help the interstate and non kannadiga students to comfortably communicate in kannada language with local peoples as well as patients.

Brief Report : The Kannada Balaga wing of the KAHER J N Medical College, Belagavi conducts the Kannada Classes for the BSc Allied Course first semester students. The Kannada classes were mainly conducted for the interstate and non kannadiga students to improve their communication skills in Kannada so that it will help them in interacting with the patients. It also helped the students in communicating with local people so that they can easily adjust in hostel and campus. The various common topics were covered in Kannada Language . The classes are conducted by the faculties of Kannada Balaga.

Expected Outcome: Nonkannadiga students will be able to learn and communicate in basic kannada language which will help them to learn better.
