BRIEF REPORT OF GUEST LECTURE
OVERSEAS HIGHER EDUCATION AND EMPLOYMENT OPPORTUNITIES

A lecture was organized by KAHER's School of Allied Health Sciences, Belagavi on Overseas Higher Education and Employment opportunities on 9th January 2023 for final year students and Interns of the following B.Sc. Allied Courses:

1. B.Sc. Medical Laboratory Technology
2. B.Sc. Cardiac Care Technology
3. B.Sc. Perfusion Technology
4. B.Sc. Anaesthesia Technology
5. B.Sc. Radiography
6. B.Sc. Neuroscience Technology

The lecture was delivered Mr. Rajesh Malagithi, Managing Partner, Study Next Overseas. Mr. Rajesh introduced himself to the students. He told them about his journey from being a student at the KAHER's Institute of Nursing both as a UG and PG to being in the position that he presently holds. He said that after being trained as a nursing professional in India he decided to go to UK and was working there as a nurse for over 10 years.

Mr. Rajesh stressed on the fact that allied health professionals are in extremely high demand in India and the world over. With the healthcare industry expanding rapidly not just in India but abroad as well, there is definitely a need for skilled workers such as allied health professionals, overseas. He gave them an overview of the employment and higher education countries opportunities including the living conditions and salaries in various countries like the US, UK, Germany, France, Canada and Australia. He told them briefly about the prerequisites and formalities that they would be needed to complete before applying to these countries.

Mr Rajesh informed the assistance which his company could offer in helping these students with overseas placements both in terms of applying for jobs as well as higher education and offered them his contact details. The students had many questions which they posed to the speaker and enjoyed their interaction with him.
